

Summary

The project focused on vegetation and access track maintenance between 55.500 and 58.630 km, successfully improving access for ARTC maintenance with 60% of the section now maintainable by conventional equipment. No incidents were reported during the operation.

Project Details

- Project: 2590 - V/Line 55.500 (Epping-Kilmore Rd crossing) - 58.630, Hume Freeway to DBKWDG Access Tra
- PO/LOE: 194664
- Status: Completed
- Date Completed: 2025-06-26
- Location: Wandong, Victoria
- Address: 35 Sir Leo Curtis Drive, Wandong, Victoria 3758, Australia

Findings & Recommendations

- Vegetation and woody weed mulching completed from 55.500 to 58.630 km.
- Access track cleared for ARTC pole line maintenance.
- Approximately 60% of the section is now maintainable with conventional tractor slasher equipment.
- Remaining areas require specialised equipment due to limited access.
- No incidents or problems were reported during the works.
- Hazard identified: ARTC signal cables below minimum height.
