

# V/Line – Completion Report

## Summary

The project aimed to reinstate access for fuel tankers to the generator powering signals by mulching vegetation and trimming trees under ARTC pole lines at Donovans Lane, Beveridge. The work was completed over two days using forestry mulchers, EWP, and woodchippers, ensuring improved access and compliance with clearance requirements.

## Details

**Vegetation Mulched:** Yes

**Work Description:** TMC enviro crews mulched vegetation under ARTC pole lines. Also trimmed trees to improve access for Fuel Tankers to Generator powering signals. 2 days to complete. With Forestry Mulchers. EWP and woodchippers.

**Scope of Works:** Trim trees and mulch underline. Clearance req for tanker to get to generator in the area

**Address:** 268–300 Donovans La, Beveridge, VIC 3753, AU

**Date of Works:** 2025-06-07

## Key Findings

Vegetation under ARTC pole lines was mulched to improve access.

Trees were trimmed to allow fuel tanker access to the generator.

Works were completed over two days using forestry mulchers, EWP, and woodchippers.

Clearance requirements for tanker access were addressed.

Project status marked as completed.
