

V/Line – Completion Report

Project: 2584 - V/Line 50.600-53.2 (Rail St Crossing) DBKWDG Access Track ELC Clearance

Customer: V/Line

PO / LOE: 194664

Location: Wandong, Victoria (KP 50.600 – 53.2)

Status: Completed

Date Completed: 2025-07-03

- **Work Description:** The mulching and vegetation removal around the pole lines have been completed, effectively mitigating fire hazards behind the Wandong Shopping Centre, between the rail line and the Easman boundary. Furthermore, we have cleared all blackberry and gorse, including areas under the pole lines and within the easement, extending from the rail street crossing to Wandong Station.
- **Scope of Works:** Clear under powerlines all areas. Create access for ARTC to poles. Between approx 49.5KP and Rail St Crossing, Heathcote Junction.
- **Address:** 64 Rail Street, Wandong, Victoria 3758, Mitchell Shire, Australia
- **Date of Works:** 2025-06-07 to 2025-07-18

Summary

Vegetation and mulching works were successfully completed along the access track between Rail Street Crossing and Wandong Station. All blackberry and gorse were effectively cleared, particularly behind the Wandong Shopping Centre, which has significantly reduced fire hazards and improved access to pole lines for ARTC.

Key Findings

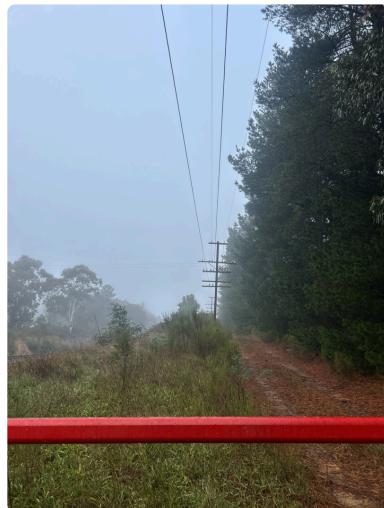

- Mulching and vegetation removal completed along the access track.
- All blackberry and gorse cleared behind Wandong Shopping Centre and within the easement.
- Fire hazards have been effectively mitigated in the treated areas.
- Access to pole lines for ARTC has been improved.

- Works covered the area from Rail Street Crossing to Wandong Station.
